### CONFERENCE WORKSHOPS AND SPECIAL ISSUES

This year, at the ICONIS congress, we will have two workshops:

1. The Fuzzy Techniques workshop will be on Thursday, May 22 (schedule to be confirmed). All people who attend the congress will be able to participate in it. The duration of the workshop will be 1.5 hours. Its objective is to share some of the methodologies that are used by the researchers participating in the Red Iberoamericana para la Competitividad, Innovación y Desarrollo (REDCID) and members of the Red Sistemas Inteligentes y Expertos Modelos Computacionales Iberoamericanos (SIEMCI), project number 522RT0130 in Programa Iberoamericano de Ciencia y Tecnología para el Desarrollo (CYTED).

Finally, the papers submitted to the conference will be invited to be part of the different book and journal special issues.

### BEST PAPER AWARDS

Best paper awards and best student paper award will be given at the end of the conference. To be qualified for student competitions the students has to be the principal contributor of the paper and present it during the conference. Only on-site presentation will be considered.
